ISLE OF PALMS, S.C. -- Nestled on the northern tip of Isle of Palms, a lush barrier island off the coast of South Carolina, Wild Dunes Resort is located less than 30 minutes from the charm and grace of historic Charleston. The Resort occupies 1,600 acres of private, oceanfront property defined on one side by the Atlantic Ocean and on the other by the Intracoastal Waterway.

Offering a year-round menu of golf, tennis, spa services and restaurant options, Wild Dunes Resort has been distinguished by many publications and associations as a top destination for families, golfers, tennis lovers and meeting and event planners. The entire Resort is connected with bike and walking paths and resort shuttles, making it possible to enjoy this paradise without ever getting behind the wheel of your car.

The Isle of Palms enjoys special status as a lush, green enclave located on South Carolina's only Blue Wave Beach - a national designation from the Clean Beach Council which goes to a handful of beaches with high levels of water quality, environmental responsibility and procedures for ensuring swimmer safety. Wild Dunes Resort is a paradise for visitors seeking clear waters, sunny skies and the unique feeling that comes from admiring tropical palm trees growing beside ancient live oaks.

Golf has always been a major attraction at Wild Dunes Resort, which boasts two world-class golf courses designed by Tom Fazio. The oceanfront Links Course and spectacular Harbor Course are consistently ranked among the best golf courses in the United States.

- The Links Course - Fazio's first solo design - is an 18-hole, 6,387-yard, par 70 golf course with a slope rating of 127. The finishing holes are on the Atlantic Ocean and have been referred to as "the finest east of Pebble Beach." Prevailing breezes, massive dunes and natural hazards make play challenging. The Links Course offers an award-winning golf shop, chipping and putting green, practice range and clubhouse with locker rooms.
- The Harbor Course is an 18-hole, 6,359-yard, par 70 golf course with a slope rating of 131. Nine of the holes are located on the Intracoastal Waterway and play from one island to another across the waters of Morgan Creek. Considered by Fazio as one of his "favorites," it is reminiscent of a British Open style course with a variety of short and long holes. The Harbor Shop offers the latest in golf equipment and a broad selection of men's and women's apparel.
- Golf Instruction: Individual golf instruction and golf clinics are available to improve game skills for all ages and levels of players. A team of PGA Class A golf professionals are located on the premises and use video analysis and technology to focus on personalized instruction.

At Wild Dunes Resort, courses share the stage with courts - 17 Har-Tru courts, that is.

- Five of Wild Dunes' seventeen courts are lighted for night play and one court includes stadium seating for more than 350. The Tennis Center has a fully stocked pro-shop with racquet service counter. A complete staff of USPTA certified professionals provides private or group lessons and clinics year-round. The center offers an extensive summer tennis program, highlighted by cardio tennis clinics, beach tennis lessons (with summer exhibitions by the current Beach Tennis World Champions), and seasonal Monday night pro exhibitions. The Tennis Center has been recognized as a "Top 50" facility since 1981 and ranked as a "Top 10" since 1998 by *TENNIS* magazine.

For guests wishing to explore within the gates, the Resort offers bicycle rentals and miles of walking and jogging trails. There are also a host of wellness offerings, from yoga, beach boot camp, personal training and more.
