

Frequently Asked Questions about Friendly Gatherings & Family Reunions at Wild Dunes Resort

Wild Dunes Resort is the perfect place for families to reunite and friends to reminisce, and for everyone to make new memories in our island paradise. From accommodations to appetites, and recreation to relaxation, we're here to help make your gathering one to remember.

What kinds of accommodations do you offer to family reunions or groups of friends?

We have a variety of options to choose from, including one to three bedroom condos and three to seven bedroom homes, as well as our AAA Four Diamond accommodations at The Boardwalk Inn and The Village at Wild Dunes. The most common request is for groups of friends or families to share a condominium or home.

How many people can share a home at Wild Dunes Resort?

There are occupancy limits on all home rentals on Isle of Palms. The maximum possible in any unit is twenty guests regardless of the size of the home; however, for everyone's enjoyment we recommend a maximum of two guests per bedroom.

Are there nightly minimums on the accommodations?

During peak seasons, some accommodations may have a nightly minimum. For example, between Memorial Day and Labor Day the Boardwalk Inn and The Village at Wild Dunes may have at least a 3 night minimum over the weekends and homes and condos may have at least a 4-7 night minimums.

What are the average prices for the accommodations?

Nightly rates will vary based on the season and the accommodation type. For the standard guest rooms in the Boardwalk Inn and The Village at Wild Dunes, rates during the shoulder season could range from the low to high \$100's, and during the peak season, rates could range between mid \$200's to low \$300's.

Can someone help me select the best accommodations for our stay?

Absolutely! Any one of our reservations agents can assist you in choosing the perfect place for your next gathering or reunion. Call 800.845.8880 for assistance. If you know you'll need more than three units, or will have more than 20 guests, our Reunion Specialist can assist you at 843.886.2151.

Can we have an event on the beach?

We don't recommend having events directly on the beach, and the Resort is unable to offer setup assistance for these events. We do highly recommend having an event on the Grand Pavilion or one of our two stunning croquet lawns. These two beautifully landscaped areas are just steps from the beach!

How many people can your largest venue accommodate?

Wild Dunes Resort can accommodate events of up to 300 guests for a reception and dinner with entertainment in The Sweetgrass Pavilion[®], our beautiful event facility. Adjacent to The Sweetgrass Pavilion is Palmetto Hall with over 4,000 square feet, and the Grand Pavilion, our al fresco oceanfront facility, can hold up to 600 people.

Do you only handle accommodations and food and beverage events?

Wild Dunes Resort is a full-service family destination. We can assist with just about everything, including accommodations for you and your guests, receptions and dinners, welcome parties and farewell brunches, as well as recreational activities for you and your guests such as organized golf and tennis outings, eco-tours, kayaking trips and salon and spa services for the group.

How far in advance do you suggest we book in order to get our desired date?

We recommend that you start looking at desired dates a minimum of twelve months in advance.

What do the different event venues cost? What is included in the rental fee?

Wild Dunes Resort facility rentals vary according to venue, yet all include the following essentials: Tables draped in white linen, chairs, place settings, glassware and stemware. While our essential offerings are all elegant, any item may be upgraded and customized to suit your taste, theme and budget.

Can I bring my own caterer or provide my own food?

All food and beverage must be purchased from the Resort's catering team. We've assembled culinary experts from across the country to provide the finest ingredients and presentation for any event, from casual backyard BBQ's to elegant six-course dinners.
