

Frequently Asked Questions about Friendly Gatherings and Family Reunions at Wild Dunes

Wild Dunes Resort is the perfect place for families to reunite and friends to reminisce, and for everyone to make new memories in our island paradise. From accommodations to appetites, and recreation to relaxation, we're here to help make your gathering one to remember.

Accommodations

What kinds of accommodations do you offer to family reunions or groups of friends?

We have a variety of options to choose from, including one to three bedroom villas and three to six bedroom homes, as well as our AAA Four Diamond hotel, The Boardwalk Inn. The most common request is for groups of friends or families to share a villa or home.

How many people can share a home at Wild Dune Resorts?

There are occupancy limits on all home rentals on the Isle of Palms. The maximum possible in any unit is twenty guests regardless of the size of the home; however, for everyone's enjoyment we recommend a maximum of two guests per bedroom.

Can someone help me select the best unit for our stay?

Absolutely! Any one of our reservations agents can assist you in choosing the perfect place for your next gathering or reunion. Simply call 800.845.8880 for assistance. If you know you'll need more than three units, or will have more than 20 guests, our Group Family Gathering Specialist can assist you at 843.886.2268.

Event Venues

Can we have an event on the beach?

We don't recommend having events directly on the beach, and the Resort is unable to offer setup assistance for these events. We do highly recommend having an event on the Grand Pavilion or one of our two stunning croquet lawns. These two beautifully landscaped areas are just steps from the beach!

How many people can your largest venue accommodate?

Wild Dunes Resort can accommodate events of up to 300 guests for a reception and dinner with entertainment in The Sweetgrass Pavilion®, our beautiful new event facility. The Grand Pavilion, our al fresco oceanfront facility, is available January to May and September to December.

Do you only handle accommodations and food and beverage events?

Wild Dunes Resort is a full-service family destination. We can assist with just about everything, including accommodations for you and your guests, receptions and dinners, welcome parties and farewell brunches, as well as recreational activities for you and your guests such as organized golf and tennis outings, eco-tours, kayaking trips and salon and spa services for the group.

How far in advance do you suggest we book in order to get our desired date?

We recommend that you start looking at desired dates a minimum of twelve months in advance.

What do the different event venues cost? What is included in the rental fee?

Wild Dunes Resort facility rentals vary according to venue, yet all include the following essentials: Tables draped in white linen, chairs, place settings, glassware and stemware. While our essential offerings are all elegant, any item may be upgraded and customized to suit your taste, theme and budget.

Can I bring my own caterer or provide my own food?

All food and beverage must be purchased from the Resort's catering team. We've assembled culinary experts from across the country to provide the finest ingredients and presentation for any event, from casual backyard BBQ's to elegant six-course dinners.

Do you have vegetarian and kosher selections?

We offer vegetarian and kosher-style catering, but unfortunately cannot accommodate a full kosher meal service.

Are detailed menu prices available for reception stations or buffets?

Yes. Our Group Family Gathering Specialist can assist you at 843.886.2268.

Do you have certain vendors that you work with for music, flowers, photographer, etc?

Yes. Our Group Family Gathering Specialist is available to provide these lists to you at 843.886.2268.

Do you have a spa?

Sand and Sea Salon and Spa Services is Wild Dunes Resort's onsite day spa. In addition to facials, manicures and pedicures, Sand and Sea offers full body treatments as well as hairstyling services. Our facility is limited in size, so please be sure to plan ahead to assure space is available for your needs.

Do I need an appointment to tour your facilities?

Yes. We recommend that you speak with a specialist for a personal Resort tour. Call 843.886.2268 to speak with a specialist, or email reunions@wilddunes.com.
