

Frequently Asked Questions about Wild Dunes Weddings and Receptions

Wild Dunes Resort is a full service wedding destination. From accommodations to welcome bags, assistance with vendor selection, right down to helping you pick a color palette, we're here to help make your wedding extra special for you, and one your friends and family will never forget.

Small Wedding and Honeymoon Packages

Do you offer services for small groups of friends and family?

Yes! Call 843.886.2283 to speak with a specialist, or email weddings@wilddunes.com.

Ceremony & Reception Venues

Can we have our wedding ceremony on the beach?

We do not recommend having your wedding on the beach. There is no private area for a ceremony on Isle of Palms beaches, and the Resort is unable to offer setup assistance for these events. We do highly recommend having an outdoor ceremony on the Grand Pavilion or one of our two stunning croquet lawns. These two beautifully landscaped areas are just steps from the beach, so you can easily walk out to the beach with your photographer and get all the images you dreamed of!

How many people can your largest venue accommodate?

Wild Dunes Resort can accommodate events of up to 300 guests for a ceremony and reception with entertainment in The Sweetgrass Pavilion®, our beautiful new event facility. The Grand Pavilion, our al fresco oceanfront facility, is available January through May and September through December.

Do you only handle weddings and receptions?

Wild Dunes Resort is a full-service wedding destination. We can assist with just about everything, including accommodations for you and your guests, ceremony and reception location, the rehearsal dinner, welcome party and farewell brunch, as well as recreational activities for you and your guests such as organized golf and tennis outings, eco-tours, kayaking trips and salon and spa services for the bridal party.

How far in advance do you suggest we book in order to get our desired wedding date?

We recommend that you start looking at desired dates a minimum of twelve months in advance.

What do the different venues cost? What is included in the rental fee?

Wild Dunes Resort's facility rentals vary according to venue, yet all include the following essentials: Tables draped in white linen, chairs, place settings, glassware and stemware, as well as a traditional centerpiece. While our essential offerings are all elegant, any item may be upgraded and customized to suit your taste, theme and budget.

Wedding Services

Do you work with wedding planners? Is there one onsite?

Our catering sales manager works with your wedding planner to assure all the details are in place to create your perfect wedding. If you choose not to retain the services of a professional planner, we are happy to assist you with your wedding held on Resort grounds, or your event catered by our staff at a venue off-site. [Click here](#) for a list of other off-site venues that we are proud to serve.

Do you have certain vendors that you work with for music, flowers, photographer, etc?

Yes. We are happy to provide lists for preferred vendors for all of these services.

Do you have a spa?

Sand and Sea Salon and Spa Services is Wild Dunes Resort's onsite day spa. In addition to facials, manicures and pedicures, Sand and Sea offers full body treatments as well as hairstyling services. Our facility is limited in size, so please be sure to plan ahead to assure space is available for your needs.

Do I need an appointment to tour your facilities?

Yes. We recommend that you speak with our catering sales manager for a personal Resort tour. Call 843.886.2283 to speak with a specialist, or email weddings@wilddunes.com.

Rehearsal Dinner, Reception and Brunch

Can I bring my own caterer or provide my own food?

All food and beverage must be purchased from the Resort's catering team. We've assembled culinary experts from across the country to bring our brides and grooms the finest ingredients and presentation for their special day.

Do you have vegetarian and kosher selections?

We offer vegetarian and kosher-style catering, but unfortunately cannot accommodate a full kosher meal service.

Are detailed menu prices available for reception stations or buffets?

Yes. Call 843.886.2283 to speak with a specialist, or email weddings@wilddunes.com.
